HAVE FUN LEARNING SPANISH

"I hear and I forget. I see and I remember. I do and I understand." - Chinese proverb

Project-Based Learning is a teaching methodology that allows students to acquire knowledge by responding to real-life situations. It improves children’s social skills, fosters public speaking and improves critical thinking by creating an environment where they are constantly exchanging ideas, opinions and information.

FOR LEARNING

Project Development
Effective communication, teamwork, second language, problem solving, critical thinking, creativity and event planning.

Brainstorm
Our experienced teachers carefully select a project that is aimed at developing specific skills or reaching a goal.
EXCEPTIONAL TEACHERS

We know the difference a great teacher makes in language learning. All of our teachers hold specialist teaching qualifications and have an average of eight to ten years of teaching experience. Their enthusiasm, creativity and dedication to students’ success is what makes Enforex teachers stand out.

EARN A LANGUAGE CERTIFICATE

Each student will receive a certificate and detailed evaluation on their last day of camp.

INNOVATIVE AND PERSONALIZED TEACHING METHODOLOGY

Our proven teaching method is based on project and action learning. A hands-on method where students gain confidence and enjoy learning Spanish while working on real-life projects. Students will work in teams, brainstorm about their project, evaluate solutions, assign roles to each member, decide on the media in which to present the project (video, photos, poster, presentation, etc.), choose the materials needed, budget and manage their time. Meanwhile, they learn and improve their leadership skills, teamwork, communication skills, emotional intelligence, and confidence.

WE TEACH ALL LANGUAGE LEVELS

On arrival, each camper takes a placement exam which determines their current language proficiency level. At Enforex we teach students at every proficiency level.

Accredited by

LEADERSHIP AND PUBLIC SPEAKING

We encourage and support all students and help improve their leadership and public speaking skills.

FINAL EVALUATION

We discuss any issues they came across and how the project could be improved.
At Enforex, we carefully select our camp leaders, coordinators, teachers, directors and counselors based on their experience, expertise and, above all, dedication to the students. Throughout the year, the camp coordination team is dedicated to fully training the new counselors for the upcoming summer.

Every member of our team shares the camp’s philosophy and the dedication necessary to provide the highest quality service. In fact, some of our campers have even ended up becoming camp counselors.

Enjoy new adventures, challenges and opportunities to grow every day at our camps, year after year.
CAMP DIRECTOR

Besides the executive directors of Enforex, the Camp Director at each site holds the highest level of responsibility. He or she works very closely with the coordinators and counselors to make sure the camp runs smoothly and attends to the needs of every camper.

COUNSELORS’ COORDINATOR

One Coordinator is assigned to each group of students: Kids, Junior and Senior, thus creating different campuses within the same facility. The coordinator works closely with the camp counselors to develop and supervise camp activities and ensure that each camper makes the most of their summer.

COUNSELORS

One counselor is assigned to each group of 8-12 campers at every summer camp. They spend 24 hours per day with their group, act as mentors, tutors and caretakers for any need and concern.

TEACHERS

Our summer camp faculty is experienced in teaching young students of various ages and implements a wide array of innovative teaching techniques and activities that speak to every age group and learning type.

OUR LEADERS’ EXPERIENCE

“At Enforex Camps, education is extremely important. We are experienced, trained and have various academic backgrounds so we can concentrate on teaching and having fun. Every year I am more and more excited to return to camp!”

RECREATIONAL ACTIVITIES
At least once a week we organize events and activities for campers to get together and enjoy a ridiculously fun night where they can dress up, be silly and enjoy being together. Campers are encouraged to be creative, inclusive and resourceful. Without even realizing it, they develop valuable life skills and practice their second language. These events also help campers make friends and instantly become part of the community. Many of our events are hosted outside and are adapted to the interests of the campers.

INDIVIDUAL AND TEAM SPORTS
Sports help develop valuable skills in young adults including confidence, teamwork, communication, endurance and determination just to name a few. Not to mention health benefits such as coordination, body posture, healthy habits, flexibility, strength and the list goes on! At Enforex, we offer many options for campers to find a sport they enjoy, whether that might be an individual or team sport. Many are exposed to new experiences and discover their new favorite sport.

CULTURAL WORKSHOPS
We carefully select special topics that are culturally enriching and that give our campers the opportunity to learn something new, discover the world around them, develop important life skills (like cooking and writing) and explore their interests. Your little one might discover his or her future career path after discovering a new talent this summer. Our workshops are perfect for sharing new information, yet at the same time are always engaging, interesting and fun.

The student residence is located within the UPC university in the metropolitan area of Barcelona and very well connected: 10 minutes by car from the airport, 15 minutes by train or car from the center of Barcelona and 10 minutes from the beach by foot.

TRAVEL
back in time

What better place is there to learn, enjoy and explore Spanish culture than in a city with the second oldest university in the world, founded around the year 1200?

Our campus in Salamanca is located in the Colegio Calasanz, one of the most prestigious schools in the city, in the heart of the historic center. The building is a beautiful example of nineteenth-century Salamanca architecture, with a majestic cloister that can be admired from the glassed-in galleries. It has well-equipped sports facilities where you can play soccer, basketball, handball, volleyball, roller hockey and much more, as well as access to a nearby pool. Thus, our campers will be able to combine their language learning with sports and activities, and in passing discover all the reasons why Salamanca has been declared a World Heritage Site by UNESCO.

At Enforex Camps we are aware that many of the students who come to our programs have the freedom in their own homes to go out in the evenings with their friends. For this reason, the camp director will allow a certain number of unsupervised outings per program. The outing days and times will be established by the director of each camp. This option is only available to students 15 and older, whose parents complete, sign and send us the "Permission to Leave the Camp Unsupervised" form before the start of the program. This permission will be valid as long as the student complies with the camp rules.

MEDICAL AID AND HEALTH INSURANCE
Each camp has a health center and 24-hour first aid care on site to ensure the health and well-being of the students. If your child has any chronic medical conditions, allergies, special dietary needs or other requirements, simply notify us in writing at the time of registration. If your child plans to bring their own medication to the camp, please send it with them along with full instructions on its correct usage. Additionally, it may be advisable for the student to bring a medical report from their doctor of their special needs. All campers are covered by standard insurance for medical assistance, which is included in the price of the program. However, if you would like a premium insurance policy, we advise you to purchase it in your own country.

Junior Program
Ages 14 to 18
THE WORLD IS WAITING

Our Junior Program is geared towards students aged 14 to 18 who wish to live a unique cultural immersion in Spain. Join peers from all different nationalities who, like yourself, wish to improve their Spanish language skills quickly, immerse themselves in the Spanish culture, make friends from all over the world, and prepare for their global future.

The program lasts two or four weeks and is available at our schools in Barcelona, Granada, Madrid, Malaga, Salamanca, and Valencia during the summer or in January term. Participants are housed in our school’s student residence or homestays.

What makes this program different from our international immersion summer camps is that students have more freedom to explore the city and its culture by themselves. They also participate in a variety of activities and excursions specially designed for their age and interests.

This course is perfect for students who want to begin communicating as quickly as possible and are eager to experience the culture of their chosen destination firsthand.

You will leave Spain feeling more confident, with improved overall communications skills, fluency in Spanish, and a new sense of independence.

For accommodations, students can choose to stay in host families or a student residence close to the school.
