It includes six spacious, well-lit classrooms fully equipped with modern technology and designed to accommodate 145 students. Enjoy Wi-Fi throughout the school and spacious common areas where you will meet other international students to practice Spanish with.

Hang out with locals at the numerous bars, restaurants, shops and cafes surrounding the school. Take a short minute walk to the coastline between classes for a mid-day dip, and at sunset for romantic drinks by the Mediterranean Sea.

"What I value the most from my experience at the school in Alicante was being able to put my Spanish into practice outside the school when I went to stores and restaurants. Alicante is also a comfortable city; it's easy to get around, there's a great young vibe, and best of all... there's sun and the beach right around the corner from the school!"
