Who takes this course?

This is the perfect course for anyone who wants to take the DELE exam and needs an intensive, DELE-oriented preparation course. It starts any Monday and can be taken for 1 week or more. The course consists of 20 DELE group classes per week.

Benefits

Our course will prepare you for the exam through classes led by experts in DELE exam preparation, giving you techniques, tricks and information on the exam skills. You will have the opportunity to review each one of the sections of the exam: grammar and vocabulary, reading, listening and writing expression. This way you will get to the exam day with confidence.

Who takes this course?

For those who want it all and are interested in preparing for the DELE exam on a part-time basis, this combination course is the perfect choice. The course consists of 20 Spanish group classes plus 10 additional private DELE classes per week, with a flexible duration available year-round..

Benefits

By combining Intensive Spanish classes with private DELE classes you will get the maximum out of your course and ensure your success at your own pace. The DELE private classes fully focus on the improvement and development of specific skills on which you will be examined and your needs on specific areas you wish to improve for the exam.

WHY TAKE THE DELE EXAM

The DELE is officially recognized by public and private businesses and education systems, Institutions, Foundations and language schools.

- It will boost your CV and job prospects, as it facilitates geographic mobility in academic and professional spheres.
- Today, more and more universities throughout the world are requesting the DELE certificate for admission.
- The DELE is also required to obtain grants for higher education, International Cooperation Agencies and scholarships for institutions such as The Spanish Ministry of Foreign Affairs and Cooperation.

GUARANTEED DELE PASS RATE

Our track record says it all- 95% of students who have chosen Enforex have passed!

Take the step to your future in Spanish and certify yourself with Enforex helping you all the way.
