YOUR PATHWAY TO A UNIVERSITY IN SPAIN

SPANISH LANGUAGE AND CULTURE PROGRAM
COMBINED WITH HIGHER EDUCATION
PREPARATION AND UNIVERSITY PLACEMENT

WHY?

If you want to apply to a Public or Private university in Spain, you need to pass the so-called PAU (Prueba de Acceso a la Universidad) Entry Exam (=PCE for international students), which is the only way to be able to enter a Spanish university.

WHO?

International students who have completed high school or secondary education.

HOW?

The exam covers several subjects, including Spanish language and literature, and requires a high level of Spanish. Start with Spanish and culture classes at our Enforex schools and then continue with focused exam preparation at one of our partner schools to help you pass and access a Spanish university.

WHERE?

Barcelona, Granada, Madrid, Malaga, Marbella, Salamanca, Seville, Valencia and Online

WHEN?

Choose one of our four Enforex Pathway packages and start 20, 30, 40, or 44 weeks before the official PAU-PCE exam date.

⚠ EXAM SESSIONS

Exam dates, fees, and official procedures for the PCE are established by UNED, and for the PAU exam by regional Spanish universities, with both offering two exam sessions each year.

Ordinary session: Students who pass in this session have priority when choosing their degree program.

PCE: last week of May; PAU: first week of June

Extraordinary session: Usually for students who didn't pass the first session or want to improve their score.

PCE: first week of September; PAU: early July

Each exam lasts approximately 90 minutes.

Please note: For high-demand degrees (such as Medicine), there might not be any places available in the September session.

FAQ

ELIGIBILITY AND HOMOLOGATION

- ✓ **YOUR COUNTRY HAS AN AGREEMENT WITH SPAIN**
 - You do **not** need to homologate your high school diploma.
 - Taking the PCE exam is still recommended to improve your chances.
- ✗ **YOUR COUNTRY DOES NOT HAVE AN AGREEMENT**
 - You **must** homologate your high school diploma.
 - You need to take 4–6 PCE subjects depending on destination.

WHICH COUNTRIES HAVE EDUCATIONAL AGREEMENTS WITH SPAIN?

- ✂ See full list:
www.enforex.com/pdf/pathway/anexo_reglamento.pdf
- ⚠ Students from countries not listed in the above-mentioned 'Anexo' must homologate their secondary education diplomas to the Spanish Bachillerato equivalent. This process is **essential** for university admission.

VALIDATE YOUR DIPLOMA IN 3 SIMPLE STEPS

If you are from a country where homologation is required, you need to apply for validation through the Spanish Ministry of Education, Culture and Sport. It's **important to start the process during your final year of high school, even if you haven't yet received your diploma**, as this proof is required when registering for the PCE or PAU exams.

1. GATHER THE REQUIRED DOCUMENTS

- Official high school diploma or equivalent.
- Academic transcripts from the last three years, with grades.
- Identity document (passport).
- Proof of payment of the corresponding fee (if applicable).
- In some cases, documents may need to be legalized or apostilled, depending on the country of origin.

2. SUBMIT THE APPLICATION

- You can submit the application **in person** at the offices of the Ministry of Education, at **Spanish embassies or consulates abroad**, or **online** via the Ministry's electronic headquarters.
- You may also submit the application **by postal mail**, including certified copies of the required documents.

3. AWAIT THE RESOLUTION

- The processing time may vary, but on average, it takes around six months.
- Once approved, you will receive a homologation certificate that allows you to officially present your diploma in Spain.

- ✂ For all specific details and documentation regarding homologation and validation, please visit the website of the Spanish Ministry of Education, Vocational Training and Sports.

WHICH CRITERIA ARE USED BY EACH UNIVERSITY IN SPAIN AND HOW TO CALCULATE MY ADMISSION SCORE?

See full list:
www.enforex.com/pdf/pathway/tabla_criterios_admision.pdf

UNED PCE ACCREDITATION CRITERIA AND FORMULA

$4 + (\text{High school Grade} \times 0.2) + \text{PCE Avg} \times 0.1 = \text{out of } 10$

Add weighted subjects ($\times 0.2$) = max. 14 points

PAU ACCREDITATION CRITERIA AND FORMULA

$\text{High school Grade} \times 0.6 + \text{PCE Avg} \times 0.4 = \text{out of } 10$

Add weighted subjects ($\times 0.2$) = max. 14 points

abc **Homologation:** Procedure which leads to Spanish authorities' recognizing that a student's pre-university certificates are equivalent to Spanish Bachillerato.

Bachillerato: The name given to the last two years of secondary education in Spain, as well as the certificate that is obtained right before higher education.

UNED: Spain's National Distance Education University (specifically for foreign or international students who want to apply to a Spanish university).

PCE: Stands for 'Pruebas de Competencias Específicas'. These are exams conducted by UNED and aimed at international students who wish to apply to Spanish universities. Specific Competency Tests target the competencies and skills that students who complete the final year of secondary education in Spain are expected to have mastered.

YOUR UNIVERSITY JOURNEY AND TIMELINE IN 5 EASY STEPS

A clear path to success: study at a university in Spain!

1

CHECK YOUR COUNTRY'S AGREEMENT WITH SPAIN

- Determine if your high school diploma needs to be homologated.
- Start this process early (ideally during your final year).
- Some countries must also take 4–6 PAU-PCE subjects.

2

LEARN SPANISH WITH ENFOREX (REACH B2)

- A B2 Spanish level is required for university admission.
- Choose between 8–16 week intensive Spanish courses.
- Add optional culture or DELE preparation classes.
- Stay in student apartments at discounted rates.

3

PREPARE FOR THE PAU-PCE EXAMS

- Prepare for 2–6 subjects with one of our partner professional schools.
- Exams are organized by UNED (PCE) or regional universities (PAU).

4

REGISTER FOR THE EXAM

- Registration usually takes place early in the year.
- Select the subjects you'll be examined on.

5

APPLY TO UNIVERSITIES

- Submit your documents and exam results.
- Register your diploma and calculate your final admission score.
- Application deadlines are usually in early July, depending on the university.

YOUR RESPONSIBILITIES

While we guide you through each stage, students are responsible for submitting required documents, meeting deadlines, and fulfilling academic and legal requirements.
