LIVE IN THE CENTER OF THE CITY

Our host families
are located in the city's
best neighborhood.

A QUICK DESCRIPTION

In our homestays you can choose between half board (usually breakfast and dinner) or full board (breakfast, packed lunch and dinner).

All of our host families houses will be located no more than 30 minutes away from the school. In many cases you will be able to walk to the school from your house.

All of our families offer free WiFi service.

Staying with a host family allows you to get the maximum out of your course, offering you both the chance to directly experience local life, as well as developing your language skills with native speakers in a unique way.

The majority of our host families have worked with us for many years. We know that comfortable accommodation is an essential part of your study trip, so if you want an authentic cultural experience, coupled with the added security of living with a family, then Home Stay is perfect for you!
