EXPLORE

GRANADA

ALHAMBRA PALACE

La Alhambra is a gorgeous palace and fortress complex influenced by the Arabian and Christian cultures that built it, conquered it and lived in it throughout the years.

GRANADA, A PLACE OF BREATHTAKING BEAUTY!

We are in love with Granada for its ability to give a truly stop-and-swoon experience. It has an undeniable energy complete with beautiful **Moorish castles**, **Christian cathedrals**, curious homes built into caves and hidden **cobblestone streets** at the foothills of the **snow-capped Sierra Nevada**. Francisco de Icaza, a Mexican poet, famously captured our sentiment in his quote: "Give him charity, woman, as **there is nothing worse in life than being blind in Granada.**" Besides its history, architecture and beauty, what truly makes Granada an ideal destination for students is the local Andalusian people, who are **laid-back**, friendly and especially hospitable towards foreigners.

Our recommendations? **Go out, get lost, explore.**

THIS IS A NEIGHBORHOOD TO EXPLORE

Walk through all its narrow streets and you will discover things that you cannot find in a guide.

SACROMONTE

One of Granada's most famous and traditional neighborhoods and the birthplace of Flamenco
