INTENSIVE SPANISH LANGUAGE COURSES

Our goal is to give students the skills necessary to communicate and express themselves in any Spanish-speaking environment. Perfect for those who are looking to learn Spanish and put it into daily use quickly and effectively, our courses offer 10, 20, 25 or 30 dynamic Spanish lessons a week, with plenty of time leftover to get out, explore your new city and make new friends. All our teachers utilize a student-centered approach to teaching, meaning that lessons will be personalized and tailored to the needs and interests of the group.

Who takes this course?

This course is designed for students who want to have fewer hours of class each day while still being able to take advantage of an intensive format and a method focused on conversation and communication.

Benefits

Thinking about taking an intensive course to improve your Spanish, but don't have much free time? Many traditional intensive courses require a lot of class hours each day, and they can be hard to balance with your studies, your job, or other activities you want to do. At Enforex we've thought of the perfect solution for those who want to try out our innovative methodology with a reduced number of classes per day.

Who takes this course?

This course is perfect for students looking to improve their level of Spanish quickly. With our Intensive 20 course, you'll get a well-rounded education: not only will you improve your oral speaking and comprehension, but you'll also work on reading and writing too.

Benefits

Our Intensive 20 course is designed to get you communicating within the first week of class. And with just 4 hours of class a day Monday through Friday, it leaves you enough time to get out, explore and spend time with friends! Learn Spanish grammar and vocabulary with our quick and effective methodology, then head out and put your new skills to practice in your day-to-day. You can also participate in your school's organized trips and cultural activities to deeper your cultural immersion experience.

Also available Online with year-round start dates and a flexible timetable.

Who takes this course?

In a hurry to get your Spanish language and conversation skills up and running already? If so, this course is the one for you. Get on the fast track to speaking like a native speaker with our extra conversation classes, where you'll learn local vocabulary and expressions to take your conversation skills to the next level.

Benefits

With 5 additional conversation classes a week, your fluency and self-expression will noticeably improve within just your first few days. Learn all the little secrets, tricks and nuances to Spanish conversation that will help you engage effortlessly with native speakers. The best part is: the more you speak with locals, the more you are guaranteed to learn, grow and make friendships – everything you need to have the most enriching cultural immersion experience possible!

Who takes this course?

This course is designed for students who want to make the most out of the time they have by focusing on learning Spanish and getting to know the culture that surrounds the language.

Benefits

Each week you'll have 20 intensive Spanish classes in small groups, 5 culture and conversation workshops, and 5 semi-private classes. This way, you'll be able to learn from your classmates in the group classes, focus on your individual needs in the semi-private classes, and still have time to explore the culture and work on your pronunciation during the remaining classes.

UPGRADE YOUR EXPERIENCE AND COMBINE DESTINATIONS

Want to take your Intensive Course on the road? You absolutely should!

This option allows you to follow the Spanish course of your choice throughout any of our top destinations at no extra cost. It's the perfect way to become more familiar with each of Spain's unique regions, thus developing a multi-faceted perspective on the Spanish way of life.

As an Intensive Spanish student, you'll also work to develop intercultural competence: becoming familiar with the culture and community in which you live, understanding the nuances of Spanish and how to effectively express yourself like a local, as well how to foster positive intercultural attitudes and values.

“

At Enforex our academic team's greatest commitment is to actively participate in the academic and personal growth of each and every one of our students. Learning Spanish will allow you to advance professionally; it will open new business opportunities to you in countries where Spanish is spoken or in those with a growing interest in the Spanish speaking world.

METHOD

LEARN

For the past thirty four years, Enforex has developed its own teaching methodology which has proven to be very successful. Our teaching approach is designed to build each student's confidence and fluency in speaking Spanish naturally while emphasizing the study of the four key learning skills: Listening Comprehension, Reading Comprehension, Written Expression and Interaction, Oral Expression and Interaction. The NUEVA PRISMA System is a breakthrough in the advancement of Spanish learning technology and it enhances students' communication and language skills rapidly.

We believe that our students learn in different ways, therefore our teaching and learning methodology incorporates a wide range of activities and teaching methodologies that are designed to create an enjoyable, motivating, and stimulating learning atmosphere.

Enforex

WORK ON INTERPRETIVE AND EXPRESSIVE SKILLS WHILE INCREASING CULTURAL KNOWLEDGE

LISTENING

Acquire techniques and strategies to understand oral messages and increase listening comprehension.

READING

Improve your reading comprehension so that you can interact more fully with local culture, reading the works of local authors or the daily newspaper.

SPEAKING

No matter what your ability, we work to help you develop the level-appropriate speaking skills.

WRITING

Learn the correct mechanisms for communicating effectively in your writing.

LEVELS

We use the six classification levels within the European Framework of Reference for Languages (CEFR). The CEFR is a guideline created by the Council of Europe and is used to describe achievements of foreign language learners. Enforex language courses as well as our textbooks are organized according to the six levels:

BASIC USER

A1  BEGINNER

A2  ELEMENTARY

INDEPENDENT USER

B1  INTERMEDIATE

B2  UPPER INTERMEDIATE

PROFICIENCY USER

C1  ADVANCED

C2  PROFICIENT

Return home feeling proud of your achievements and enrich your curriculum vitae with new certificates.

CERTIFY AND ADVANCE

EARN A CERTIFICATE

You will return home with our Enforex diploma certifying your Spanish language level according to the Common European Framework of Reference for Languages (CEFR). Enhance your CV and improve your chances to access your preferred university or job. All of our Spanish programs have been designed according to the official standards of European and American university credits.

CERTIFY YOUR SPANISH LEVEL

Invest in your future by earning an official Spanish proficiency certificate! With over 34 years of experience helping students pass official exams, we will help you successfully take on the most challenging tests and earn a top score. Not only will you ace your exam, but you will also have an unforgettable experience learning and living abroad.

There are ways to make your Spanish level official with various tests. In the first place, we know you may have some doubts about choosing DELE exam or SIELE. But don't worry! At Enforex we have 4 internationally recognized programs that will help you prepare in strategic ways to guarantee best results.

All Enforex schools are accredited by the Instituto Cervantes.
